

WAREHOUSE SPECIALIST

ABOUT THE JOB

Diversified Pool Products, Inc. is a wholesale distributor currently seeking a Warehouse Specialist to join our team!

JOB PURPOSE

The primary function of this position is to pull orders and prepare them to be shipped or delivered. We sell pool and spa chemicals and equipment to small businesses. Please note we are a fast paced seasonal business. Maintaining professional behavior under pressure is a necessity while interacting with various people and multiple orders.

SKILLS/QUALIFICATIONS

Integrity, teamwork, time management and passion are essential for this role. Must be 18+ years old and hardworking. Forklift skills are a plus, but not necessary.

RESPONSIBILITIES

- Pulling orders
- Wrapping orders
- Loading/unloading trucks
- Stocking parts in warehouse
- Assist in keeping warehouse clean and organized
- Assist in inventory and cycle counts, as needed

BENEFITS

Diversified Pool Products, Inc. offers a competitive salary with bonus opportunities plus medical and dental options, vacation, sick pay, holiday pay and SEP retirement plan.
